Core Services

Custom Broking

We recognize customs broking as an integral part of inbound and outbound logistics. Our Operation team at SCAF has an excellent resource of individuals who are well versed with the law & procedures and working knowledge which is required to handle local situations.

Freight Forwarding

We assure the excellent requirements in customer support with price effectiveness and time bound deliveries. Our door-to-door services for all C&F assignments upload to universal customer delight.

Transportation

SCAF affords an green, expert, and aggressive shipping carrier the usage of our delivery buddies. We offer a totally personalized and devoted carrier for all of your road transportation wishes. Our extensive experience in the area ensures our clients a reliable door-to-door transport solution for their shipment. We provide our services through a tremendous fleet of specialized transport vehicles to your numerous road transportation necessities.

Door To Door Delivery

Comprehensive logistics solutions from the suppliers works to the buyers. According with the enterprise of global and local goods transports, we provide the subsequent offerings: export, import and transit preceding and/or subsequent to the Ocean / Air delivery of goods, on "door to door" principle. We operate transport of boxes in various parts of the world with fulfilling warehouse facility at buyers and suppliers place.

Cargo Insurance

Our strong enterprise relation with many coverage groups allows us to provide you additional services like container insurance for factory loaded deliveries, shipment insurance from port for your premises or vice versa, and so forth...

Pre-shipment Cargo Survey

We provide Preshipment cargo inspection survey through various recognized inspection agencies which enable you to assess physical condition of your cargo after arrival at the port. This helps you to claim insurance for your damage cargo during transit and any other reason or do necessary repair work before shipment, thereby avoiding further loss of the cargo. This helps for taking further actions for hassle free operation.

Chartered Engineer Certification

Our best associate team of custom recognized Chartered Engineers provide certification to the valued customers, as requisite for Project Finalisation / EPCG Clearance / Used Capital goods clearance / and any custom requirement for the product valuation purpose.

Testimonials

Rakesh Jain:

"Shivansh has helped us to streamline freight quotes to our clients, lower the freight costs, and simplify logistics. I cannot say enough about Shivansh's level of commitment to excellent customer service and how very satisfied we are with the services that Trinity provides us. Shivansh has helped our company and has also helped us improve our service to our clients."

Aakash Mehta:

"Working with Shivansh Logistics has made my job easier. I trust in the Shivansh name and promise because of their team's efforts on our behalf. Aside from being true professionals, Shivansh communicates effectively and works with us to meet fair price points. It has been a pleasure to have Shivansh's team on board with us and know that my deliveries will be taken care of properly and on time."
